Disclaimer!

This site operates independently as a community-driven platform and does not officially represent MICO. The content here is shared purely for informational and entertainment purposes.

- **Not Financial Advice:** This website does not provide financial or investment advice. Always consult a professional before making financial decisions involving MICO or any other cryptocurrency.
- **No Ownership:** MICO has no central owner or authority. It is a fully decentralized token, meaning it can be used by anyone in any manner they choose, in accordance with applicable laws and regulations.
- **No Treasury or Profit Generation:** MICO does not generate profit, nor does it maintain a treasury. It is a community-driven project without any central financial authority.
- **Collaborative Partnerships:** MICO partnerships consist solely of collaborations and do not involve formal contracts or agreements.
- **Market Risks:** Cryptocurrencies are highly volatile. The value of MICO may fluctuate, and there are no guarantees of future performance. Participants are responsible for any losses incurred.
- **Regulatory Compliance:** MICO is not classified as a security and complies with applicable AML and KYC regulations. Users must ensure they follow local laws when engaging with MICO.
- **No Guarantees:** There are no guarantees of profit or future value. Participation in the MICO ecosystem is at your own risk.
- **Jurisdiction:** Certain countries may restrict or prohibit cryptocurrency use. It is the user's responsibility to comply with local regulations.
