FAQ

Frequently Questions

Create a TON Chain Wallet?

Begin by setting up a TON wallet to store and manage your \$Mico tokens. Choose a reputable TON-compatible wallet, like TON Wallet or OpenMask. Follow the instructions to download, install, and create a new wallet. Ensure you back up your seed phrase in a secure location.

How to Buy \$Mico

After setting up your TON wallet, purchase \$Mico tokens. You can do this on a cryptocurrency exchange that lists \$Mico. Connect your wallet, select the \$Mico trading pair, and complete the purchase. Once done, transfer the tokens to your TON wallet for security.

How to Stake \$Mico

With \$Mico in your wallet, you're ready to stake. Connect to a staking platform that supports \$Mico, choose your staking options, and select the amount you wish to stake. Confirm the transaction, and your \$Mico tokens will start earning rewards based on the staking terms.

How to Participate presale

The presale will be announced soon. Stay tuned!
